

**To the Meeting of Shareholders of  
Mobile TeleSystems Public Joint Stock Company**

**FINDINGS ON THE RESULTS OF AUDITING  
OF FINANCIAL AND BUSINESS OPERATIONS  
of Mobile TeleSystems PJSC in 2022**

Pursuant to the Federal Law No. 208-FZ dated December 26, 1995 "On Joint-Stock Companies," the Auditing Commission of Mobile TeleSystems PJSC (hereinafter referred to as "the Company") audited financial and business operations of the Company in 2022.

The primary goals of the audit included the following:

- make sure that the basic financial indicators of the Company business disclosed in the accounting statements and the Annual Report of the Company are accurate;
- make sure that the main planned indicators of the financial and business operations of the Company for 2022 are achieved;
- financial and business operations were conducted complying with the interests of the Company and its shareholders.

The responsibility for preparing accurate data and reporting, for compliance with all the necessary requirements and instructions of the Company's management for financial and business operations considering the interests of the Company and its shareholders, as well as for developing and functioning of the efficient internal control system in the Company shall be borne by the management bodies of the Company in accordance with their competence.

The responsibility of the Auditing Commission was to gain reasonable assurance through audit that the primary goals of the audit were met and the findings were presented on the basis of the most objective and adequate analysis of all data, documents and information provided for the audit. In the opinion of the Auditing Commission, the collected data, documents and information provide sufficient grounds for drafting conclusions and these findings.

The Auditing Commission made the following conclusions:

a) The Auditing Commission confirms that the Company's financial statements for 2022 are reliable, i.e. prepared in such a way as to ensure, in all material aspects, the reflection of accounting and reporting data on financial and business operations, assets and liabilities as of December 31, 2022, and financial results of the Company business for 2022, based on requirements of the applicable law of the Russian Federation on accounting and reporting and accounting policy of the Company;

b) The Auditing Commission confirms that the principal financial and non-financial indicators of the Company's Annual Report for 2022 prepared in accordance with applicable law and the Company's internal policies and regulations, are accurate, i.e. they do not contain incorrect or false information capable of forming a misconception regarding the results of the Company's operations in 2022 and causing a significant negative impact on making correct decisions by the Company's shareholders based on this information;

c) During the audit, the Auditing Commission revealed no facts of performing financial and business operations with substantial violation of the interests of the Company and its shareholders.

Chairperson of the Auditing Commission
